

MotoGP The Netherlands 01 July 2018

VIP HAARBOCHT LOUNGE

At the TT Circuit of Assen a new era is created at the end of the straight towards turn 1: the New Haarbocht Grandstand! The capacity is around 10.000 seats, with massive view on the riders accelerating to turn one, every lap braking & passing manoeuvres with a large vidi-wall right in front, the best seats in the house!

Right on top off the new Haarbocht Grandstand, we can now offer you a great new VIP product against a very interesting price. Named as the new spectacular grandstand, the Haarbocht Lounge we offer you an informal MotoGP Fan hospitality where you will find all comforts in combination with VIP parking, trendy decoration & catering. Open bar (beer & wine) starts from lunch time and after the MotoGP we will celebrate this event in style with Bites & Bubbles.

It will feel that you and your guests are in a Skybox watching the best Motorsport action right in front of you from the VIP deck on 20 meter height! This in combination with your Haarbocht Grandstand ticket. Your grandstand seat (covered section!) is right under the hospitality, a perfect combination for visiting the Dutch TT 2018 in style!
